The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.

The statistical data used for this publication is gathered from the Police Records Information Management Environment (PRIME) and represents only crime reported to the Vancouver Police Department. Due to a possible lag time in the data, it is possible that a very small number of offences could be absent.
