Dear [REDACTED]:

Re: Records Access Request

We are replying to your request for information that was received in our office on December 3, 2018. In that request, you sought access to “the total number of homicides in Vancouver per year between January 1, 1960 and December 31, 2017”. You requested that the data be “presented in two columns with one column for the year and another column for the quantity of homicides that occurred in the year”.

We consulted with the Vancouver Police Department Major Crime Section and were informed they could provide statistics for a portion of the specified date range. Specifically, they were able to produce the number of homicides for the years 1985 to 2017.

Attached please find the responsive data in two columns as per your request.

If you have any questions, please contact the Information and Privacy Unit at (604) 717-3071 or email foi@vpd.ca.

Yours truly,

Civilian Analyst (VA9426)
