- Lock cable lock or other U-Lock on front wheel
- Lock quick-release skewers

REMEMBER, NO METHOD IS 100% GUARANTEED

The VPD recovers thousands of bikes each year. Serial numbers are checked to see if they have been reported stolen. If you've logged it and reported your serial number to police, they may be able to connect you with your stolen bike.

Protect your bike by logging it now. For more information, go to **VPD.CA**
