Re: Records Access Request

We are replying to your request for information that was received in our office on October 14, 2021. In that request, you sought access to the following VPD information:

“Any information on the enforcement of Street and Traffic Bylaw No. 2849 by VPD from 2017 to present.”

Vancouver Street and Traffic Bylaw No. 2849 is used to regulate traffic, use of streets and the size and weight of vehicles that are permitted to travel on City of Vancouver streets.

Upon clarification of your request you advised you wish to include all sub sections of 2849.

Enclosed please find a copy of the requested records. You will note that the FINE field sometimes appear blank and is sometimes filled in. This is not a required field when entering the data and is often left blank.

If you have any questions, please contact the Information and Privacy Unit at (604) 717-3071 or email foi@vpd.ca.

Yours truly,
