

## VANCOUVER POLICE DEPARTMENT

### Trespass Prevention Program

Here are the guidelines for affixing the Trespass Prevention Program decal:

- Display in a readily visible area on your property/business. Depending on the decal type received, the decal can be affixed to the interior of a window or glass door, or an exterior, non-porous surface.
- The decal should be displayed in a location where it can be easily seen and identifiable by the public and police personnel.
- Decals should only be displayed on properties which have been properly registered with the Trespass Prevention Program via an authorization form.

Additional notes:

- A displayed decal authorizes police officers to enforce the British Columbia *Trespass Act* at/on registered properties without the need for a call for service.
- A displayed decal does not replace a police call for service. Participants are reminded to continue with calls for service as usual when on-site if there is a need for police attendance.
- For non-emergency call **(604) 717-3321** and for emergency calls please dial **911**.

\*Please note that additional decal supplies may be limited. If your business/property requires additional decals, please email [TrespassPreventionProgram@vpd.ca](mailto:TrespassPreventionProgram@vpd.ca).
