**Re: Records Access Request**

We are writing in response to your request made to the Vancouver Police Department on September 15, 2022. In that request, you sought access to the following VPD information:

“The vast majority of large public entities use a records/data management system to track and manage FOI requests. I am seeking access to several fields included in that system: 1. The request text (if not available, a summary of the request), 2. The date it was received, 3. The date it was completed, 4. Whether access was granted in full or in part, and 5. How many pages were released.”

The time frame for your request is for records that were completed between January 1, 2021 and June 30, 2022. You are only seeking access to general records requests, not personal records requests.

Enclosed please find a copy of the requested records in excel format.

Further to your question regarding handling requests for previously disclosed information, it is our practice to post all responses to general Freedom of Information requests on our website at:

If you have any questions, please contact the Information and Privacy Unit at (604) 717-3071 or email [foi@vpd.ca](mailto:foi@vpd.ca).

Yours truly,
