Dear [Redacted]:

Re: Records Access Request

We are writing further to our letter dated April 4, 2023. At that time we were unable to provide Vancouver Police Department spending figures as an audit was ongoing and final numbers were not yet available.

In a follow-up email dated August 31, 2023, you advised you only required the outstanding figure of “spending on firearms and ammunition (respectively) in 2022”.

The responsive data is as follows:

Spending on Firearms and Ammunition in 2022*	
Description	2022
Firearms	\$1,946,718
Firearm Ammunition	685,862
Total	\$2,632,580
	*Department-wide
