- This data only includes calls for service received by 911, not calls directed to the non-emergency line.

- This data is not necessarily representative of documented police activities at the requested address. For example, an individual may call from one location to report an incident that has occurred at another. The event may be linked and thereby included in the premise history check of the location from which the call was placed. The Vancouver Police Department therefore does not warrant the accuracy, reliability, or completeness of the information provided in the requested premise history check
